

2022 WIRE TRANSFER INSTRUCTIONS

MDRT will accept wire transfers for membership dues from companies if the amount is at least USD 5,000.

An additional USD 50 is to be included per wire transfer to cover all bank fees.

To process wire transfers in a timely manner, we require a listing that includes the following:

- MDRT ID
- Complete name of the agent/advisor
- Amount of dues to be paid for each agent/advisor, including additional monies for Court/and or Top of the Table.

For a sample spreadsheet containing the required format, please click [here](#). Please email the spreadsheet to mbrennan@mdrt.org.

Please note: if you are planning to pay for dues using a wire transfer, and also want to use the Online Membership Application System, the deadline for MDRT to receive those funds and your listing is **Monday, February 14 2022**. This allows us time to allocate your funds in the system, and for the members (or the facilitator) to process all applications before the March 1 deadline. Normal turnaround time for allocation of funds within the online system is 5 business days.

If funds are received after February 18, 2022, we cannot guarantee that there will be adequate processing time.
